Instructions for navigating the CVWD Directorial Divisions Map Interface

Click anywhere in the map area to view useful information about your local water agency and CVWD Directorial Division.
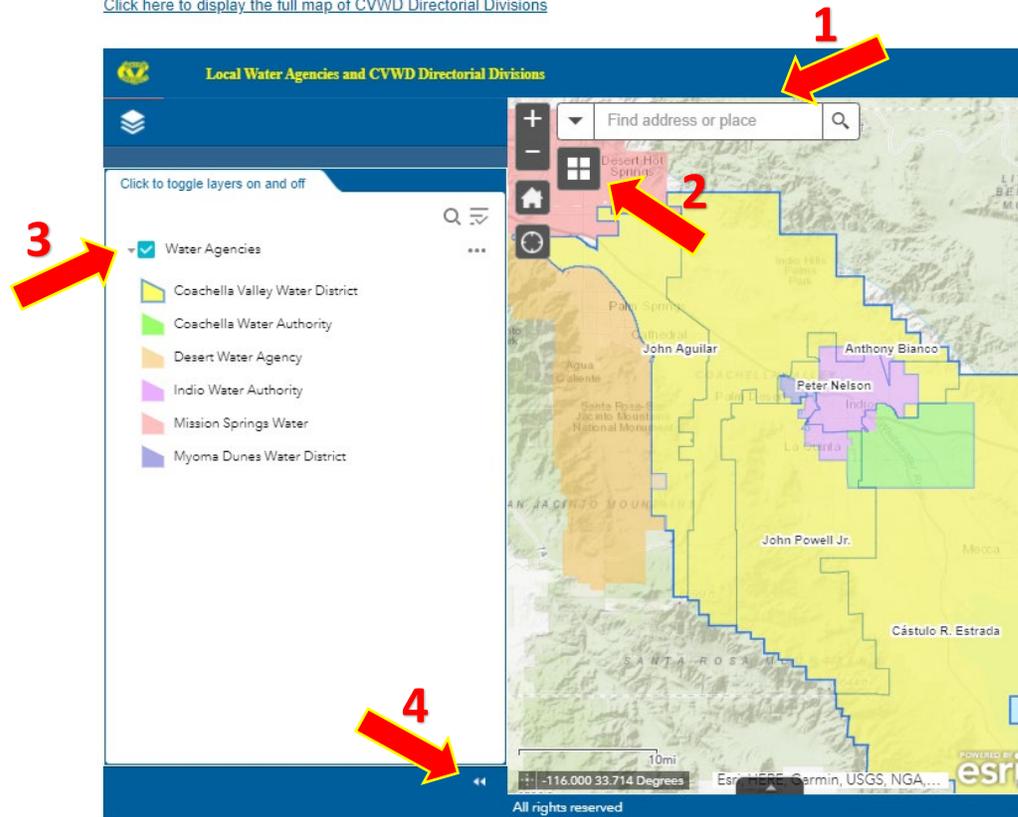

Utilize the 4 key functions below to customize your experience.

1. **Search Bar** – Type in your address, city name or other location information to zoom to that area of the map.

2. **Basemap Gallery** – Click to change the basemap. Options include satellite imagery, topographic and many others.

3. **Layer List** – Toggle this button to turn the 'Water Agencies' layer on and off.

4. **Expand / Collapse Legend** – Click the double arrow icon to expand or collapse the legend panel.
